medium

Fuji Crystal Archive, glossy behind Acrylic glass 2 mm, glossy - Alu-Dibond 3 mm
Solid wood frame 4mm, black oak; Aluminium rails

price

2.000,-

description

The picture radiates a mixture of grandeur and strangeness. On the one hand, the tree appears powerful and stable, while on the other, the extreme perspective and graphic reduction make it almost surreal. The result is a tension between monumentality and fragility, between heaviness and lightness. The depiction evokes associations - from the force of nature and transience to growth and ascent.
