wilpsize

description

The composition appears both orderly and random, a delicate interplay between control and the blurring of boundaries. Light and shadow interact in subtle nuances, while the colors change, sometimes tangible, sometimes enraptured. Everything seems to be in motion, but without direction - a moment of transition, captured in its most fleeting form. As if a melancholy butterfly had lost its thoughts while dreaming and blown them across the picture as colourful leaves.

medium

Fuji Crystal Archive, glossy behind Acrylic glass 2 mm, glossy - Alu-Dibond 3 mm
Solid wood frame 4mm, black oak; Aluminium rails

price

2.000,-
