medium

Fuji Crystal Archive, glossy behind Acrylic glass 2 mm, glossy - Alu-Dibond 3 mm
Solid wood frame 4mm, black oak; Aluminium rails

price

2.250,-

description

The work turns the surface into a carrier of time, in which structure and dissolution overlap. Lines and cracks appear like cartographic traces of an ongoing change that knows neither beginning nor end. The alienated coloration deprives the form of its familiar materiality and allows it to exist between sedimented memory and progressive erosion.
